Dear Sisters and Brothers in Christ,

Grace and peace to you in the name of God, the Father, Son, and Holy Spirit.

Bob Weber, who served as President of Kiwanis International 50 years ago, told this story that happened to him years before. I apologize in advance as some of the words have fallen into disfavor in our modern context. Bob had spoken at a Kiwanis Club in a small town and was spending the night with a farmer on the outskirts of the town. He was relaxing on the front porch with that farmer when a paperboy delivered the evening paper. The paperboy noted a sign which read "Puppies for Sale." The boy got off his bike and asked the farmer, "How much do you want for a puppy, mister?"

Twenty-five dollars, son," the farmer replied. The boy's face dropped.

"Well, sir, could I at least see them anyway?" he asked.

The farmer whistled, and in a moment the mother dog came bounding around the corner of the house followed by four cute puppies, wagging their tails and yipping happily. A few moments later another puppy came straggling behind them dragging one of its hind legs.

"What's the matter with that puppy, mister?" the boy asked.

"Well, son, that puppy is lame. We took her to the vet and he said the pup doesn't have a hip joint and that its leg will never be right."

To the amazement of both men, the boy dropped his bike, reached for his collection bag and took out a fifty cent piece. "Please, mister," he pleaded to the farmer, "I want to buy that puppy. I'll pay you fifty cents every week until the twenty-five dollars is paid. Honest I will, mister."

The farmer replied, "But, son, you don't seem to understand. That puppy will never ever be able to run or jump. That pup is going to be crippled forever. Why in the world would you want such a useless puppy?"

The boy paused for a moment, then reached down and pulled up his pant leg, exposing an iron brace and leather knee strap holding a poor twisted leg. The boy answered, "Mister, that pup is going to need someone who understands him to help him in life!"

Christmas is thought of in a lot of different ways by different people. But when it comes right down to it, Christmas is God looking down on his creation and seeing something quite broken. It is a world filled with souls crippled by sin--people who have no means to right or heal themselves. We are people in need. God sees that need. Knowing that we need someone who understands us to help us in life, God has chosen to enter our world in the person of Jesus—to walk with us and, to ultimately deliver us. That is Christmas. That is this little child wrapped in bands of cloth and lying in a manger. God comes to be "Emmanuel—God with us!"

Have a very blessed and Merry Christmas!

Take care and God bless!

Yours in Christ,

*Pastor Randy*

Due to the power outage on November 18th the NLLC council didn't meet.  
The council plans to meet on December 9th, 2020 as a combined November and December council meeting.

## Christmas Eve Firelight Worship Service

We will be holding two services on December 24th in the parking lot of New Life Lutheran Church to celebrate the birth of our Lord and Savior, Jesus Christ. The services will be held at:

**3:45 pm**  
**and**  
**5:00 pm**

We will be having luminary lanterns and, weather permitting, we will be launching sky lanterns during our sending hymn "Silent Night".

These services will be held outdoors in the parking lot. We would appreciate that you call ahead to reserve a parking space so that we can ensure we have enough availability for all. There are only 31 front row spaces available per service with an additional 17 over flow spaces. There may also be parking available out of view should you decide to attend last minute. Please only park in your reserved space.

We are in need of 3-4 portable fire pits for the worship services. If you have one we can borrow please give us a call.

There is also a need for 10 volunteers per service to help light the sky lanterns. Our insurance requires those volunteers to be age 18 or over. If you are willing to help light the sky lanterns please call the church office at 867-6557.

Dear Family and Friends in Christ –

It is hard to believe we are nine months into what we now know as the current normal. It is understandable that there are activities that we may have taken for granted prior to the COVID-19 pandemic, with large gatherings being one of them. It seems like every day we learn something new about COVID-19 and how it can affect us directly and those around us. "Information fatigue" can set in along with the want for something normal and comforting such as a church service or coffee fellowship.

From the perspective on behalf of the NLLC Council, we would like to share information from our discussions and current/continued planning for getting back into church.

We have recently seen, in all areas of the world that, when restrictions have been lifted altogether, cases of coronavirus spike. The Council formed what is known as the SMART Team, which is responsible for meeting, reviewing, and making recommendations to Council as to how to best move forward with church activities in our new world. This team is comprised of congregation members who are health care workers, moms, dads, and grandparents, people with more understanding of the virus, yet are just like you and me. Part of the team's planning work included the surveys that were sent out. The survey from the SMART Team dispersed in October had roughly 50% of surveys returned. Among those, 50% of those responding (so roughly 25% of the congregation) were ready to have "in person" church again. But as we are all aware, over the past few weeks the situation with COVID-19 has unfortunately changed rapidly. The SMART Team receives regular guidance from our state health department and our Synod to make these informed recommendations. When presented with the information from the SMART Team, the Council takes into consideration these recommendations along with your needs. At the end of the day we are making decisions based on the health and safety and care of our congregation members.

The Team is making strides in completing an action plan to safely open the doors of the church again. **As part of the new processes necessary to safely hold church services inside the building, we will need 5-7 volunteers per service to help perform the new duties (health screening, sanitizing, etc.) required to return to church in-person. If you are willing or capable to help with these new duties please contact the church office (867-6557).**

In the meantime, with the upcoming weeks of cold and snowy weather, we will continue to offer different ways to worship. We are currently having parking lot services on Sunday mornings along with the sermon and readings being posted on YouTube and Facebook. The sermons are also updated on the website, [newlifeparish.net](http://newlifeparish.net), weekly. But, with the rapidly changing weather we may need to make changes to those outdoor services. We are also keeping the older kids engaged and staying in contact with them in creative ways for confirmation and youth group. Involving our younger Sunday school kids in this atypical environment continues to be a challenge, as finding activities and platforms that work for our young ones continues to be a barrier that is being worked on.

In an area of responsibilities that does seem familiar, our Nominating Committee is just starting the process of contacting folks to fill the roles soon to be vacated by expiring terms on boards and committees. We are also in the early stages of budgeting for the future. If you are called upon to participate in these aspects of our church, please thoughtfully consider sharing your time and talents if you have these resources to give. Your participation and guidance are needed to support the overall wellbeing of the church and its operations.

When we look to the future, we are a short couple weeks away from Christmas. This is normally a special time of celebration, worship, singing and togetherness with our family and friends. It is hard to comprehend that this year may be different from our treasured experiences in the past, but as stated above the decisions as to how we worship are not being taken lightly nor are we wanting to risk the health and safety of each and every one of you. As we continue to plan for the coming weeks, we are all looking forward to the days when we can gather again safely indoors.

Take care, stay safe, and God Bless,

# LORD, STIR US TO DREAM

Advent 2020  
Stewardship Series

For nothing will be impossible with God.  
Luke 1:37

**Lord, Stir Us to Dream**

For Advent, we move out of our time of lament into repentance and dreaming for the future. We read in Isaiah 40 a call to prepare the way of the Lord. This is a call to repentance for our own transgressions. In the time of confession in the liturgy we confess “We have sinned against you in thought, word, and deed, by what we have done and by what we have left undone.” Each of us has our own areas of shortcoming to acknowledge as we prepare to have an open heart for our Lord. The Lord sends out John to prepare the people for Christ’s arrival and the Lord sends us the Spirit as well.

Advent is our time to dream and commit to the future God has envisioned for us. Use Isaiah 61 as a scriptural picture of God’s vision for the people in your prayer and discernment. Use the coloring exercise as a form of prayer and meditation. Ask God to show you ways your church and you could expand ways to minister to the world. This is a time of dreaming without the editing of what you think would never be possible. Mary had that thought when Gabriel told her she would be pregnant as a virgin. His response to Mary in Luke 1:37 is, “For nothing will be impossible with God.” Dare to be open to the impossible.

It is out of dreams that new hope for the future springs. Share the dreams with others. This is a time to also consider the resources you are willing to give back to God in pursuing these dreams. God works through the people in bringing together resources to live into those dreams. We each partner with God in creating the kingdom here, as well as looking to that final return of Christ. So yes, now we ask, “Lord, stir us to dream.”

Advent is our time to celebrate with Mary as she sings her song of praise in Luke 1:46-55. This is a time we can recognize and affirm that everyone, no matter their station in life, is a precious child of God; a time to celebrate and acknowledge like Mary that everyone matters and has something to offer.
