Dear Sisters and Brothers in Christ,

Grace and peace to you in the name of our loving God, the Father, Son, and Holy Spirit.

May is a month filled with significance. From remembrances and celebrations to times of transition, annual happenings, and new beginnings. Here are a few snippets of items that speak some of the character of this meaningful month.

For Mother's Day . . .

I believe in Jesus Christ, the Son of the loving God, who was born of the promise to a virgin named Mary. I believe in the love Mary gave her son, that caused her to follow him in his ministry and stand by his cross as he died. I believe in the love of all mothers, and its importance in the lives of the children, they bear. It is stronger than steel, softer than down, and more resilient than a green sapling on the hillside. It closes wounds, melts disappointments, and enables the weakest child to stand tall and straight in the fields of adversity. I believe that this love, even at its best, is only a shadow of the love of God, a dark reflection of all that we can expect of him, both in this life and the next. And I believe that one of the most beautiful sights in the world is a mother who lets this greater love flow through her to her child, blessing the world with the tenderness of her touch and the tears of her joy. [An Affirmation from John Killinger's, Lost in Wonder, Love, and Praise]

For those looking to the fishing opener . . .

Most of us fish with a fishing rod. This is what Don Marquis has to say about that: *Our idea of fishing is to put all the exertion up to the fish. If they are ambitious we will catch them. If they are not, let them go about their business.*

It is interesting that when Jesus and his original disciples went fishing it was with nets which are not discriminating. So, it is with the net of God's grace.

For those graduating and beginning new adventures . . .

On June 4, 1783 at the market square of a French village of Annonay, not far from Paris, a smoky bonfire on a raised platform was fed by wet straw and old wool rages. Tethered above, straining its lines, was a huge taffeta bag 33 feet in diameter. In the presence of "a respectable assembly and a great many other people," and accompanied by great cheering, the balloon was cut from its moorings and set free to rise majestically into the noon sky. Six thousand feet into the air it went -- the first public ascent of a balloon, the first step in the history of human flight. It came to earth several miles away in a field, . . . where it was promptly attacked by pitchfork-waving peasants and torn to pieces as an instrument of evil!

The moral of the story? Life is complicated. We are not all on the same page. For everyone cheering us on, there is probably another determined to tear us down. But don't let any of this deter you from pursuing your dreams which are hopefully founded in God.

For those who sow seed . . .

A garden [or field] is a grand teacher. It teaches patience and careful watchfulness; it teaches industry and thrift; above all it teaches entire trust. [Gertrude Jekyll, 2011]

For those looking to the summer season . . .

Rest is not idleness, and to lie sometimes on the grass under trees on a summer's day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time. [John Lubbock]

For those who gave their all and for those who take the time to remember them . . .

Freedom makes a huge requirement of every human being. With freedom comes responsibility. [Eleanor Roosevelt]

Never was so much owed by so many few. [Winston Churchill]

I pray we all have a significance-filled, joy-filled, blessed month of May—wherever life may find you!

Take care and God bless!

Please feel free to bring a lawn chair to sit outside, you can also bring an umbrella or canopy for shade. Feel free to wave or yell "Hello" to others while practicing social distancing and maintaining 6 feet away from those not in your immediate household.

Masks are not required but are encouraged if you are sitting outside of your vehicle.

Indoor Worship

Little Bethany Lutheran Church simultaneous services at 8:45 am

New Life Lutheran Church Sundays at 11:00 am

We appreciate your cooperation and willingness to follow the guidance provided to us from the Minnesota Department of Health (MDH). Without everyone's compliance the indoor worship services will not be allowed to continue. Here are the practices that will allow us to have indoor worship:

*Masks must be worn at all times inside the building along with social distancing (maintaining 6 feet between household groups, no lingering in hallways).

*Attendees will need to keep your coats and personal items with you as you enter the sanctuary and are seated.

*All people entering the building will need to sign in and provide a contact number. This is for contact tracing should the church be informed that someone attending has been diagnosed with COVID-19.

*Congregational singing will not be allowed due to added risk of the spread of COVID-19. We may incorporate some special music, but this will be very limited and highly regulated according to MDH guidelines.

Please also note that MDH continues to discourage vulnerable people from attending indoor worship services even with the above precautions. Vulnerable people are defined as those 65 years old and older, and/or those with pre-existing conditions.

This is not to say you cannot attend indoor worship if you are comfortable. We will not turn anyone away as long as the guidelines (*mentioned above) are followed.

For all those uncomfortable with the higher risk of exposing yourselves or others to COVID-19 in such an indoor group setting, we will continue our drive-in, parking lot worship services at 10 am each Sunday, and our online worship services.

Thank you for your continued patience and understanding in these challenging times!

Giving Opportunities at New Life

Did you know there are other ways to support our church in addition to offering? Here are a couple of options you might consider:

Qualified Charitable Distribution

With tax season under way, an important note for our retired members: If your retirement plan requires a Required Minimum Distribution (RMD), you can often make a tax-free Qualified Charitable Distribution from your plan directly to any qualified charity, including our church, that counts toward your RMD. Several members have already taken advantage of this option. Check with your investment advisor to see if this is an option for you.

Amazon Smile

If you shop on Amazon, you can use Amazon Smile to donate 0.5% of all of your purchases to our church. Bookmark this page:

<https://smile.amazon.com/ch/05-0522533>

and use it for any Amazon shopping. It's the same Amazon for the same price, but your spending will automatically benefit our church at no additional cost to you.
