### SERVICE GROUP LEADERS

<b>March</b>	Travis & Stephanie Olson Gayla Western
<b>April</b>	Stacy & Jennifer Honer

Dear Sisters and Brothers in Christ,

Grace and peace to you in the name of our loving God, the Father, Son, and Holy Spirit.

Have you ever been confronted with a message that has changed your perspective? King Duncan tells the story of how one church chose as its Lenten theme, “Forty Days of Love.” Each week members of the congregation were encouraged to show their love and appreciation in different ways. The first week they were encouraged to send notes to people who had made positive contributions to their lives.

After the Ash Wednesday worship service, a man in the congregation wanted to speak to his pastor. The pastor describes the man as “kind of macho, a former football player who loved to hunt and fish, a strong self-made man.” The man told his pastor, “I love you and I love this church, but I’m not going to participate in this Forty Days of Love stuff. It’s OK for some folks,” he said, “but it’s a little too sentimental and syrupy for me.”

A week went by. The next Wednesday this man waited after church to see his pastor again. “I want to apologize for what I said last Wednesday,” he told him, “about the Forty Days of Love. I realized on Saturday that I was wrong.”

“Saturday?” his pastor repeated. “What happened on Saturday?”

“I got one of those letters!” the man replied. The letter came as a complete surprise. It was from a person the man never expected to hear from. It touched him so deeply he now carries it around in his pocket all the time. “Every time I read it,” he said, “I get tears in my eyes.”

It was a transforming moment in this man’s life. Suddenly he realized he was loved by others in the church. This changed his entire outlook. “I was so moved by that letter,” he said, “I sat down and wrote ten letters myself.”

Receiving that letter was a transforming experience for *Mr. Macho*. It came from a mailbox rather than a mountaintop, but the effect was the same - his perspective was changed.

God has a way of breaking into our lives. For each of us the breaking in comes in different ways, taking us by surprise, but, none-the-less, we are changed.

The Lenten season is God’s gift, given through his Church. It is a gift inviting us to discover, again, the wonder of God’s grace and constant love. It is a gift that also invites us to be part of God’s grace and love being extended to others.

A prayer for all of us . . .

*Lord God, our Creator and Redeemer,*

*Thank you for your love which transforms us, even, and especially, when we are not expecting it. You have created us to be creative like you. In our creativity, help us to discover new ways to reach out to others and touch their hearts, minds, and souls. Give us courage to step out of our comfort zones into the messy wonder of your redeeming and sustaining ways. Amen.*

Take care and God bless!

*Pastor Randy*
